Sample Result: PASS

Date Received:	2020/06/08	Batch #:	GBG0002-GBG0100
Sample #:	GBG0002-GBG0100-1	Sample Name:	Blood Orange Diesel
Sample Location:	Kitchener, Ontario, Canada	Batch Size:	4000
Contact Name:	Kyle Kitchen	Sample Type:	Dried Flower
Contact Email:	kyle@greenanalytics.ca	Batch # Qty:	100
Company:	Green Goodies Inc.	Sample Size:	10 g
Address:	1000 Ridge Road, Hamilton, ON	Batch # Unit:	Kg
Methodology:	Dry Sieve, Microscopy	Sampling Plan:	N/A
Additional Info:	None	Sampling Rate:	1/40
Received Condition:	Good, Dry, Sealed Bag		

Dry Sieve | Microscopy | Residual Solvents | Residual Pesticides | Residual Heavy Metals | Residual Microbials | Residual Mycotoxins | Residual Fungicides | Residual Herbicides | Residual Growth Regulators | Residual Fertilizers | Residual Nematicides | Residual Insecticides | Residual Acaricides | Residual Plant Growth Regulators | Residual Pesticides Total | Residual Heavy Metals Total | Residual Microbials Total | Residual Mycotoxins Total | Residual Fungicides Total | Residual Herbicides Total | Residual Growth Regulators Total | Residual Fertilizers Total | Residual Nematicides Total | Residual Insecticides Total | Residual Acaricides Total | Residual Plant Growth Regulators Total

Release | Residual Solvents | Residual Pesticides | Residual Heavy Metals | Residual Microbials | Residual Mycotoxins | Residual Fungicides | Residual Herbicides | Residual Growth Regulators | Residual Fertilizers | Residual Nematicides | Residual Insecticides | Residual Acaricides | Residual Plant Growth Regulators | Residual Pesticides Total | Residual Heavy Metals Total | Residual Microbials Total | Residual Mycotoxins Total | Residual Fungicides Total | Residual Herbicides Total | Residual Growth Regulators Total | Residual Fertilizers Total | Residual Nematicides Total | Residual Insecticides Total | Residual Acaricides Total | Residual Plant Growth Regulators Total | Release | Release | Release
