Case Narrative

Associated sample was received by Indo Laboratories from a registered agent in sealed container(s), labeled with unique identification number(s). Sampling was completed by the client; Indo Laboratories cannot attest to conformance with established sampling protocols.

Sample was analyzed as received and is reported in conformance with applicable regulations and guidance, with no non-conformances to note. PASS/FAIL determinations summarized on page 1 are based on limits established by the Commonwealth of Massachusetts. Reported results account for measurement uncertainty prior to assessment against established limits.

All data contained in this report has been review for accuracy to ensure all quality control requirements are met and conform with ISO/IEC 17025:2017. Results pertain only to the samples submitted by the client and shall not be altered, modified, supplemented or abstracted in any manner.
